

The Care for Peace Song
(c) Jeff Hardy 2015

D
Hold my hand and walk with me
 C G
From the mountains to the sea
D
On the way we'll meet some friends
 C G
Who want to sing with you and me
 F G D
To care for peace
 F G D
To care for peace

Children singing everywhere
Can't we all live peacefully
All we have to do is care
Just the way you care for me
To care for peace
Care for peace

 G C G
Tell me what I need to know
D G D
Show me what I need to see
G C G
Give me something I can do
 D C G D
For children just like you and me
 D C G D
With children just like you and me

Someone taught me long ago
Something I should understand
Who you are is what you give
With your heart and with your hands
To care for peace
Care for peace
